## PRICELIST TORQUE WRENCH SERVICE

VALID AS OF 01.01.2021

### Weitere Informationen zu unserem Drehmomentservice

#### Repair / Calibrations

To reduce the lead time and cost, repairs of above mentioned torque wrenches will be carried out at fix prices. In case you will not find a fix price for your torque wrench, we will contact you and submit our respective cost estimate.

In case the reparation cannot be effected within the scope of the fix price, we will submit our cost estimate as well.

#### Unfeasible repairs

In case a reparation cannot be effected because of the age of a torque wrench or due to existing damage, we will inform you in writing and discuss further procedure.

#### Complaints

Each complaint will be analysed carefully. In case of guarantee, we will effect free replacement resp. execute reparation. In case of wrong handling, we cannot implement the guarantee procedure.

We will inform you and discuss the further action.

#### Invoices

Invoicing will be executed by ELORA-WERKZEUGFABRIK GMBH, Am Blaffertsberg 33, 42899 Remscheid.

For reparations which cannot be effected at indicated fix prices, we will send our cost estimate for approval.
