FROM INDUSTRY TO ORNITHOLOGY.

Our diverse range meets the most varied demands - from precision work and heavy-duty industrial use to the most extraordinary specialized applications.

Every single product is the result of decades of experience and innovation, making us a leading name in the tool industry.

For over 100 years, ELORA has been one of the top manufacturers of industrial tools.

Today, we are also a trusted partner in the production of specialized tools. At ELORA, we have the expertise to develop and manufacture tailor-made specialty pliers for a wide range of applications - no matter the field.

YOUR IDEA. OUR CRAFT.

Our bird ringing pliers are used and valued by renowned ornithologists worldwide. By attaching bands, they contribute significantly to the protection of endangered species and the preservation of biodiversity.

Other examples of our specialized tools include:

Upholstery pliers, Automotive specialty pliers, Seal pliers and more.

We provide solutions tailored to your specific needs. Just get in touch with us.

Your idea. Our craft. That is ELORA.
